

Tyack Health - Integrated Healthcare Services

Canonical: <https://tyack-health.directory.norg.ai/healthcare-services/multi-specialty-medical-clinics/tyack-health-integrated-healthcare-services-1/>

Description:

Tyack Health is a multi-specialty integrated healthcare clinic offering a comprehensive range of services including medicine, physiotherapy, chiropractic, psychology, podiatry, remedial massage therapy, acupuncture, speech pathology, exercise physiology, occupational therapy, dietetics, paediatric dietetics, cold laser therapy, and NDIS services. Located in Brisbane, the clinic provides holistic, evidence-based care with a focus on treating the cause rather than just symptoms. All services are available in one welcoming location with co-consultation options at no extra charge.
